The restoration of Historic Roscoe Village began in 1969 with the vision and support of Edward and Frances Montgomery. Our founders established the Roscoe Village Foundation, a not-for-profit 501 (c)3 organization, to welcome donations to help continue our mission to preserve, restore and interpret Roscoe Village's rich heritage as a part of Ohio's Canal Era.

Please visit www.RoscoeVillage.com to make a contribution, purchase a membership, or become a volunteer. Your gift to Roscoe Village will help bring history to life for generations to come!

When you purchase your Roscoe Village Membership, we encourage you to take advantage of the discounted tour tickets your membership includes. A tour of the historic buildings provides a step back in time to life as it was 200 years ago. You'll visit a craftsman's home and witness weavers, printers, and others at work using hand tools that machines have long since replaced. You'll experience a lesson in a one-room school, learn about medical practices of the 1800s and tour a doctor's home. You can even create a keepsake to take home using such historic techniques as rope-making, candle-dipping or tin-punching. All of this combines to provide you and your family with a history adventure you won't soon forget.
